PAHS Seniors *in focus*

Creating Memories for a Lifetime

It's Time for Class of 2010 Senior Portraits

It was a pleasure meeting and speaking with your PAHS senior at the May 20th assembly where we explained the two options available for taking senior yearbook portraits.

Many of your students told us they'd like to schedule a session at our studio in order to take advantage of the opportunity to express themselves through a full senior session in addition to the traditional yearbook poses.

For those who were undecided, **IT'S NOT TOO LATE.** In fact, we schedule senior portrait sessions year round.

NOTE: PAHS yearbook staff will not accept portraits taken by other photographers for publication in the yearbook. They do this to maintain quality and consistency of portraits. Because K&K Photography was chosen as the school's senior portrait photographer, your senior must be photographed by us in order to appear in the yearbook.

Yearbook publishing deadlines dictate that senior yearbook portraits be taken in the summer with one last-chance make-up session in the fall. But a complete senior portrait session showcasing interests, talents, and hobbies can be arranged on your schedule.

If you're still looking for a studio to **CAPTURE THE ACHIEVEMENT** of your student's graduation, please consider contacting us via phone or website for more information about the options available to you through our studio.

PAHS Senior Yearbook Portrait Options

Because your son/daughter is a member of the PAHS Class of 2010, you have one of the following two options:

Option #1: A Complete Senior Session At Our Studio – STUDIO PRICING APPLIES

For students wanting a more elaborate and contemporary style of photography, we can schedule a session at our studio anytime during the summer months eliminating the need for a separate trip to the high school. This session will include the 4 to 5 yearbook poses at no extra charge along with additional

poses using several clothing/prop changes and various portrait styles.

You must call us by June 19th to schedule this option at the studio. Otherwise, your son/daughter will automatically be scheduled for a session at the high school. Good appointment times will go fast.

Option #2: Yearbook Session At The High School – FREE OF CHARGE

A Yearbook Session consisting of 4 to 5 head and shoulder poses on a traditional background. You will be notified by mail of the date, time, and place of your senior's appointment. Sessions will be scheduled for **July 14th, 15th, and 16th.** You will have the opportunity to order prints from this session.

“Ken has the ability to see personality through a lens and capture it!”
